Dear Professor Zhang Shuquan,

I am delighted to invite you and your colleagues to participate in a 15-day training in our research project on medicinal hemp feminization and seed production, and mating cultivation techniques at Oregon State University. The training period is from December 1, 2019 to December 15, 2019. I understand that part of the funding for the training program comes from your Ministry of Science and Technology. The training includes feminization technology, breeding technology and comprehensive cultivation technology of medicinal hemp. The expenses related to this training, including travel, living expenses, training and insurance, should be borne by you.
